Miss Victor in

at New Daly's Has Role of English Actress in

Iden Payne's 'Dolly

Jordan.'

Historic Role

By LAWRENCE REAMER.

Whatever its effects on the future of the drama's art may be, there was un-

agers of a previous epoch, which is a graceful gesture of respect for the past in these days of the very insistant present. Then Iden Payne has written for the theater a historical drama called "Dolly Jordan." Here was another display of courage. Realism is now in the air of the theater. Historical plays are accounted among its artificial products.

But Mr. Payne fearlessly wrote a drama about the life of the Irish actress who enjoyed her hours of triumph on the London stage during the eighteenth was another with the irish Players and in "John Ferguson." Last year she was who enjoyed her hours of triumph on the London stage during the eighteenth was another with the Irish Players and in "John Ferguson." Last year she was ween in "Mixed Marriage" with Miss Margaret Wycherly and Augustin Duncan and Augustin Duncan and Miss Effie Shannon were the stars.

It courageously attempts to enclose within its four acts the entire life of the heroine. The dramatist could not, of sourse, depart from the popular formula in such cases. So the spectators saw her first as a student of the theater. learning to take the first steps that were destined later to carry her so far on a way to what glory the stage may give. She is an actress of the company at York in the second act.

Men were not insensible to her charms the opening scene. In the second, here is the personification of the inhere is the personification of the in-vitable protection which is to place er soon in the circle of Drury Lane. Her lover's complacent transfer of his interest in her to the Duke of Clarence for a little later, her hour of most complete triumph and then what the famous Silas would call her "decline and fall off" are inevitable steps in the progress of the play in its adherence to accepted models.

The progress of Mr. Payne's play al-ave is vivacous if never decay mov-The progress of Mr. Payne's play al-vays is vivacous if never deeply mov-ing. It is illustrated, moreover, with amusing incident and bits of characteri-tation which in some cases presuppose a knowledge of historical personages. Not all the play is sacrificed to the de-velopment of the heroine's story. In-teed, Mrs. Jordan might readily occupy large space in the scene with no dis-

'TRIFLING WOMEN' AN UNIMPORTANT FILM

Miss Angela McCahill.

Miss Angela McCahill. Perhaps after "Trifling Women," the organization may be able to pass a law Kousnezoff, star of the "Revue Russe" story of France during the war ap-parently after consulting the authors of many of the preceding "vamp" tales that once flourished on the screen. His direction saves the picture from being

Halligan tried to explain that the dog must be muzzled as well as on leash. Mme. said "what?" in six different languages but Halligan understood only English and that wasn't one of the six. At last, perspiring and exasperated he escorted her to the theater where someone told Mme. Kousnezoff what it was all about.

In court she told the magistrate she had arrived here from Russia a week ago and didn't know dogs had to be worse than the average, though it is distinctly subnormal for Ingram.

If this photodrama of the Faris clair-voyant who enslaves various men, one after the other, for her own ends, until

in his theme that he has had his chareters reveal their personalities not in leeds but in fluent expositions of thei notives that become tidy little treatises Frequently they sound like one of Dr. Anspacher's lectures-but then, Dr.

Anspacher is an eloquent and luminou lecturer. Once the spectator has passe he involved mechanics which the playwright has found necessary to establish his situation there is enough suspense to keep one seated until the heroine has her final headache. The scene in which Dr. McKay, summoning a blackmailing law

might well have tailored to it the immortal comment of Abraham Lincoln on a book he received: "For the sort of persons who like this sort of thing this is undoubtedly the sort of thing this is undoubtedly the sort of thing they will like."

The three act play will not appeal to the person who likes to come to New York principally to determine whether the girls in the ensemble are wearing silk or silkoline on their underpinning. But it is an intelligently handled piece of work, interesting to those who are willing to let their brains have free play. It belongs to the category of what
